Notice Of Privacy Practices

As required by the privacy regulations created as a result of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

This notice describes how health information about you (as a patient of this practice) may be used and disclosed and how you can get access to your individually identifiable health information.

Please review this notice carefully.

A. Our commitment to your privacy:

Our practice is dedicated to maintaining the privacy of your individually identifiable health information (also called *protected* health information, or PHI). In conducting our business, we will create records regarding you and the treatment and services we provide to you. We are required by law to maintain the confidentiality of health information that identifies you. We also are required by law to provide you with this notice of our legal duties and the privacy practices that we maintain in our practice concerning your PHI. By federal and state law, we must follow the terms of the Notice of Privacy Practices that we have in effect at the time.

We realize that these laws are complicated, but we must provide you with the following important information:

- How we may use and disclose your PHI,
- Your privacy rights in your PHI,
- Our obligations concerning the use and disclosure of your PHI.

The terms of this notice apply to all records containing your PHI that are created or retained by our practice. We reserve the right to revise or amend this Notice of Privacy Practices. Any revision or amendment to this notice will be effective for all of your records that our practice has created or maintained in the past, and for any of your records that we may create or maintain in the future. Our practice will post a copy of our current Notice in our offices in a visible location at all times, and you may request a copy of our most current Notice at any time.

B. If you have questions about this Notice, please contact:

Suncoast Family Wellness, LLC, 2401 University Parkway, Bldg 1, Ste 200, Sarasota, FL 34243

C. We may use and disclose your PHI in the following ways:

The following categories describe the different ways in which we may use and disclose your PHI.

1. Treatment. Our practice may use your PHI to treat you. For example, we may ask you to have laboratory tests (such as blood or urine tests), and we may use the results to help us reach a diagnosis. We might use your PHI in order to write a prescription for you, or we might disclose your PHI to a pharmacy when we order a prescription for you. Many of the people who work for our practice – including, but not limited to, our doctors and nurses – may use or disclose your PHI in order to treat you or to assist others in your treatment. Additionally, we may disclose your PHI to others who may assist in your care, such as your spouse, children or parents. Finally, we may also disclose your PHI to other health care providers for purposes related to your treatment.

2. Payment. Our practice may use and disclose your PHI in order to bill and collect payment for the services and items you may receive from us. For example, we may contact your health insurer to certify that you are eligible for benefits (and for what range of benefits), and we may provide your insurer with details regarding your treatment to determine if your insurer will cover, or pay for, your treatment. We also may use and disclose your PHI to obtain payment from third parties that may be responsible for such costs, such as family members. Also, we may use your PHI to bill you

directly for services and items. We may disclose your PHI to other health care providers and entities to assist in their billing and collection efforts.

3. Health care operations. Our practice may use and disclose your PHI to operate our business. As examples of the ways in which we may use and disclose your information for our operations, our practice may use your PHI to evaluate the quality of care you received from us, or to conduct cost-management and business planning activities for our practice. We may disclose your PHI to other health care providers and entities to assist in their health care operations.

4. Optional Appointment reminders. Our practice may use and disclose your PHI to contact you and remind you of an appointment.

5. Optional Treatment options. Our practice may use and disclose your PHI to inform you of potential treatment options or alternatives.

6. Optional Health-related benefits and services. Our practice may use and disclose your PHI to inform you of health-related benefits or services that may be of interest to you.

7. Optional Release of information to family/friends. Our practice may release your PHI to a friend or family member that is involved in your care, or who assists in taking care of you. For example, a parent or guardian may ask that a baby sitter take their child to the pediatrician's office for treatment of a cold. In this example, the baby sitter may have access to this child's medical information.

8. Disclosures required by law. Our practice will use and disclose your PHI when we are required to do so by federal, state or local law.

D. Use and disclosure of your PHI in certain special circumstances:

(B) The research could not practicably be conducted without the waiver,

(C) The research could not practicably be conducted without access to and use of the PHI.

8. **Serious threats to health or safety.** Our practice may use and disclose your PHI when necessary to reduce or prevent a serious threat to your health and safety or the health and safety of another individual or the public. Under these circumstances, we will only make disclosures to a person or organization able to help prevent the threat.

To request an amendment, your request must be made in writing and submitted to **Suncoast Family Wellness, LLC, 2401 University Parkway, bldg 1, ste 200, Sarasota, FL 34243**. You must provide us with a reason that supports your request for amendment. Our practice will deny your request if you fail to submit your request (and the reason supporting your request) in writing. 5. Accounting of disclosures. All of our patients have the right to request an “accounting of disclosures.” An “accounting of disclosures” is a list of certain non-routine disclosures our practice has made of your PHI for purposes not related to treatment, payment or operations. Use of your PHI as part of the routine patient care in our practice is not required to be documented – for example, the doctor sharing information with the nurse; or the billing department using your information to file your insurance claim. In order to obtain an accounting of disclosures, you must submit your request in writing to **Suncoast Family Wellness, LLC, 2401 University Parkway, bldg 1, ste 200, Sarasota, FL 34243**. The first list you request within a 12-month period is free of charge, but our practice may charge you for additional lists within the same 12-month period. Our practice will notify you of the costs involved with additional requests, and you may withdraw your request before you incur any costs.
